SafeMoney redefines the payment process by providing retail environments with accurate, efficient, and secure cash management. It eliminates errors, drastically reduces the risk of theft and robbery, and speeds up aesthetics and checkout operations, preventing long mers.

EASY

L 36.5cm x D 38cm x H 55.8cm

The dimensions refer to the metal housing only and are intended for mounting purposes. For correct product installation, please refer to the *"Installation Guide".*

SafeMoney Easy is the **entry-level model** in the Ditronetwork range. Its side front-opening design makes it partially recessed for flexible installation. On the top, it features a dedicated compartment for housing the Ditronetwork printer and a funnel-shaped coin slot, ensuring fast and user-friendly coin insertion.
